CIA Lock Picking Central Intelligence Agency 2015-12-31 There has been much opinion and little fact written on the subject of lock picking. It is the purpose of this book to clarify the facts about this delicate process, and at the same time to train you in proper procedure. Reading this book is certainly enough to get you started picking simple locks, but remember: a great deal of time and patience are needed to become a truly proficient locksmith. In this volume, you will learn the fundamental theories of lock picking in addition to proper terminology, the importance of tool design (i.e. how to select and use the right tool for a given job), the effects of tolerances, and finally the techniques most commonly used by locksmiths to successfully pick the vast majority of standard pin and wafer tumbler locks. Lock picking is a useful, engaging, and satisfying skill; with this book and a little determination, you'll be off to a great start.

Petey (new cover) Ben Mikaelson 2010-06-22 In 1922, at the age of two, Petey's distraught parents commit him to the state's insane asylum, unaware that their son is actually suffering from severe cerebral palsy. Bound by his wheelchair and struggling to communicate with the people around him, Petey finds a way to remain kind and generous despite the horrific conditions in his new "home." Through the decades, he befriends several caretakers but is heartbroken

when each eventually leaves him. Determined not to be hurt again, he vows to no longer let hope of lifelong friends and family torment him. That changes after he is moved into a nursing home and meets a young teen named Trevor Ladd; he sees something in the boy and decides to risk friendship one last time. Trevor, new to town and a bit of a loner, is at first weary of the old man in the wheelchair. But after hearing more of his story, Trevor learns that there is much more to Petey than meets the eye. Petey is a touching story of friendship, discovery, and the uplifting power of the human spirit.

Fallocaust Quil Carter 2014-07-09 Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else.

Without knowing why he starts to silently stalk him, unaware of where it will lead him.

The Fifth Knight E. M. Powell 2013-01-22 To escape a lifetime of poverty, mercenary Sir Benedict Palmer agrees to one final, lucrative job: help King Henry II's knights seize the traitor Archbishop Thomas Becket at Canterbury Cathedral. But what begins as a clandestine arrest ends in cold-blooded murder. And when Fitzurse, the knights' ringleader, kidnaps Theodosia, a beautiful young nun who witnessed the crime, Palmer can sit silently by no longer. For not only is Theodosia's virtue at stake, so too is the secret she unknowingly carries—a secret he knows Fitzurse will torture out of her. Now Palmer and Theodosia are on the run, strangers from different worlds forced to rely only on each other as they race to uncover the hidden motive behind Becket's grisly murder—and the shocking truth that could destroy a kingdom.

Swing Your Sword Mike Leach 2011-07-07 Newly-minted Mississippi State head coach Mike Leach tells his captivating story—from rural Wyoming to law school to the upper echelons of the SEC. SWING YOUR SWORD is the first ever book by one of the most fascinating and successful coaches in sports today. A maverick who took an unlikely path to coaching through law school, Mike Leach talks about his unorthodox approach to coaching and the choices that have brought him success throughout his career. A lover of the game who started creating formations and drawing his own plays as a kid, Leach took his Texas Tech Red Raiders to numerous bowl games, achieving the #2 slot in national rankings and being voted 2008 Coach of the Year before being unceremoniously fired at the end of the 2009 season. The scandalous nature of his dismissal created a media frenzy and began a personal battle between Leach and his accusers that remains unresolved.

Introduction to English Phonetics Richard Ogden 2017-02-06 The second edition of this distinguished textbook introduces undergraduates to the concepts, terminology and representations needed for an understanding of how English is pronounced around the world. Assuming no prior knowledge, this textbook guides the reader through the vocal tract and explains how the sounds of speech are made, offering an accessible and expanded introduction to areas including transcription, vowels and acoustic analysis. As far as possible, it uses naturally-occurring conversational speech so that readers are familiar with the details of everyday talk (and not just the careful pronunciations presented in dictionaries.) The book also includes a new concluding chapter that works through a piece of spoken data to show the reader how a more complete phonetic analysis can be conducted. Examples are taken from around the English-speaking world, including North America, Australia, New Zealand and varieties of British English. The book takes an open-minded approach to what sounds of English might be significant for making meaning, and highlights the significance of word meaning, morphology, sociolinguistics and conversational interaction in phonetic analysis.
