Operas in English Margaret Ross Griffel 2012-12-21 Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer's name; the librettist's name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A–Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key figures.

Unzipped Lauren Blakely 2019-01-14 Wanted: Dating coach to help hot nerd win back the woman of his dreams... Picture this - I'm ready to win back the love of my life, and I'm going big this time. We're talking boom box, sing her name in the rain, let the whole damn neighborhood know I'm good and ready this time around. After all, if you're going to grand gesture the ever-loving hell out of a second chance, you need to pull out all the stops. There's only one little problem. My college girlfriend isn't the one who shows up when I play my "I'll do anything to win you back" tune. The woman who flings open the second-floor window tells me my ex doesn't live here anymore. But she'll help me win her back. Anything for romance, anything for a guy so willing to go big for love. And that's what I want at first. Until I get to know my new "romance coach" and discover she's funny, clever, and keeps me on my toes. And boy, do I ever need that. Now I don't want to win anyone else's heart. I want the woman who's been helping me all along. Trouble is - she thinks I'm in love with someone else, and when we take off on a road trip, everything I think I know about women is about to be unzipped and turned inside out. *Unzipped is a standalone spinoff in the Lucky in Love series of standalones*

Mini London Travel Guide HowExpert 2016-09-08 It's finally here – your vacation to London, England! There's just one thing. You have worked hard to save your money and buy your tickets to get there and find a place to stay, but you don't have much money left to spend on things to do. What now? How to Have Fun on a Budget in

London, England will show you! There are suggestions about the following: • Getting Around. You will learn about your best options for transportation (and sometimes entertainment as you go). • Free Cultural Sites and Inexpensive Places to Go. There are so many free or low-cost things you can experience in London, whether it is traditional or contemporary. There are suggestions for older and younger (and young-at-heart) travelers. • Sites Worth the Money. These places may cost more than the other suggestions in the book, but the experiences they provide make them worth what you spend. They will give you a full day or even more of beautiful sights, history lessons, and good entertainment. • Food. While there are too many pubs, shops and restaurants to mention, this guide suggests a few who offer great deals. • Theater. Lastly, you will learn tips and tricks to experiencing London's theater scene without spending a fortune. About the Expert Heather Clark has been an Anglophile most of her life. Both her bachelor's and master's degrees were in English literature because she fell in love with Chaucer, Shakespeare, and Mary Shelley. In fact, her master's thesis was about Shelley and her life. Heather also spent part of her college years living in London, and she has since visited Britain to share the experience with family many years later. The change in perspectives gave her a chance to see London through youth and adult eyes. She loves to share travel tips and stories about London and its history with anyone who will listen. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Birding Oregon John Rakestraw 2020-06-26 From sage steppe to mountain forest to the waters of the Pacific Ocean, Oregon's diverse habitats host an equally rich diversity of bird life. BIRDING OREGON guides you to more than 250 of the best birding sites, telling you where to go, when to go, and what you will see when you get there. Whether you are a casual bird watcher or a hard-core lister, this guide will help you make the most of your travels through Oregon. To be included in the book, all of the sites had to meet three criteria. 1. The site must be on public land, or on land accessible to the birding public. Trespassing is not OK, even for birders. 2. The site must be accessible in a normal passenger car. Nothing spoils a birding trip faster than a punctured oil pan or a broken axle. 3. The site must provide consistently good birding, year after year. Good birds can show up anywhere on occasion. But if your time is limited, you want to visit sites that offer the best birding on a regular basis. In addition to the site guides, BIRDING OREGON includes a checklist of 543 species of birds and their seasonal abundance. The Resources section lists contact information for federal and state agencies, conservation and birding organizations, birding trails, and guide services. Grammar Galaxy Nebula Melanie Wilson 2016-03-10 Grammar Galaxy: Nebula Mission Manual is the workbook that is part of a complete language arts curriculum for beginning readers. The Grammar Galaxy: Nebula text (required and purchased separately) uses short, comical stories to teach concepts in a memorable way. Students discover the havoc that ensues when the evil Gremlin tampers with the English language. Fiction books are labeled as nonfiction and begin coming to life. A re-virus is introduced into the computer system causing things to be repeated endlessly. Rhyming poems and books are ruined when Word Harmony matches words that don't rhyme. The royal English children invite students to become fellow grammar

guardians in order to save the galaxy from crises like these. After teachers read one of the mysteries to their students from the separate text, young guardians complete a corresponding mission with three short steps in this manual. The Grammar Galaxy: Nebula Mission Manual is especially appropriate for first and second graders who are beginning to read and write. Missions for Advanced Guardians make it flexible enough to use with students through sixth grade. Missions cover: *reading skill development *literary concepts *vocabulary *spelling *grammar *composition and *speaking The Grammar Galaxy: Nebula Mission Manual is a great choice for homeschoolers, teachers, and parents: *Whose student has begun to read and write (use a good phonics and handwriting program first) *Who want their student to have excellent reading, writing, and speaking skills *Who want their student to spend less time doing seat work and more time reading and writing.

A Wrinkle in Time Madeleine L'Engle 2019-07-18 A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
