Lady Smoke Laura Sebastian 2019-02-05 The second installment in the New York Times bestselling series "made for fans of Victoria Aveyard and Sabaa Tahir" (Bustle), Lady Smoke is an epic new fantasy about a throne cruelly stolen and a girl who must fight to take it back for her people. The Kaiser murdered Theodosia's mother, the Fire Queen, when Theo was only six. He took Theo's country and kept her prisoner, crowning her Ash Princess--a pet to toy with and humiliate for ten long years. That era has ended. The Kaiser thought his prisoner weak and defenseless. He didn't realize that a sharp mind is the deadliest weapon. Theo no longer wears a crown of ashes. She has taken back her rightful title, and a hostage--Prinz Soren. But her people remain enslaved under the Kaiser's rule, and now she is thousands of miles away from them and her throne. To get them back, she will need an army. Only, securing an army means she must trust her aunt, the dreaded pirate Dragonsbane. And according to Dragonsbane, an army can only be produced if Theo takes a husband. Something an Astrean Queen has never done. Theo knows that freedom comes at a price, but she is determined to find a way to save her country without losing herself. Praise for the Ash Princess Series: "A darkly enchanting page-turner you won't be able to put down."--Bustle "A smart, feminist twist on a traditional tale of a fallen heroine, with plenty of court intrigue, love, and lies to sweeten the deal. Good luck putting this one down." --Virginia Boecker, author of The Witch Hunter series "This searing page-turner is a compelling examination of the complexities of both evil and resistance."--Sarah Porter, author of Vassa in the Night "A dark and spellbinding epic." --Sara Holland, New York Times bestselling author of Everless "A rebel queen fans the sparks of revolution...[and] Theo's first-person narration remains enthralling with emotional immediacy...[while] packed to the brim with intrigue and the promise."-Kirkus Reviews

A Life on Our Planet Sir David Attenborough 2020-10-06 *Goodreads Choice Award Winner for Best Science & Technology Book of the Year* In this scientifically informed account of the changes occurring in the world over the last century, award-winning broadcaster and natural historian shares a lifetime of wisdom and a hopeful vision for the future. See the world. Then make it better. I am 93. I've had an extraordinary life. It's only now that I appreciate how extraordinary. As a young man, I felt I was out there in the wild, experiencing the untouched natural world - but it was an illusion. The tragedy of our time has been happening all around us, barely noticeable from day to day -- the loss of our planet's wild places, its biodiversity. I have been witness to this decline. A Life on Our Planet is my witness statement, and my vision for the future. It is the story of how we came to make this, our greatest mistake -- and how, if we act now, we can yet put it right. We have one final chance to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will to do so.

Athletic Training Exam Review Lynn Van Ost 2022 "This study guide for the Board of Certification (BOC) exam was inspired and developed as a result of a strong passion for our profession. Athletic training is a unique health care profession in that the athletic trainer is often in the position of experiencing the results of their efforts. The patients' victories are our victories, and their losses are our losses. We become friends, mentors, counselors, teachers, guardians, protectors, and healers. It takes a special individual to become a proficient and dedicated professional athletic trainer. Long hours are spent in the athletic training facility, classroom, and field experience venues preparing for the final exam that will allow you to place the letters "ATC" behind your name. Our intent in writing this study guide is to assist you in accomplishing that final goal of passing the BOC exam. It is an accumulation of dedicated research and past experience. We have included a section on study techniques to assist you in your preparation for the exam and a general overview of the exam format to help you organize your thoughts. This guide has been divided into 7 chapters: Study Techniques and Test-Taking Strategies, General Information and the Examination Format, Knowledge Assessment, Clinical Decision Making, Skills Assessment, Critical Thinking, and What to Do if You Do Not Pass the First Time. The multiple-choice and true/false questions in Chapter 3 have been organized according to the BOC's Practice Analysis, 7th ed Educational Domains and are also subdivided into related athletic training subjects to allow you to assess specific subjects in which you may be weak and those in which your strengths lie. Although this study guide will assist you in preparing for the certification exam, it should not be used in place of your textbooks or other sources of study from your academic program. It is not intended to be a practice exam; it is meant only to be used as an adjunct source of information and to tie everything you have learned in the classroom and during your clinical education experiences together. In Chapters 1 and 2, we have provided some specific tools to help you organize yourself up to 6 months prior to the examination. Chapter 3, Knowledge Assessment, consists of more than 1400 study questions. The majority of the multiple choice and true/false questions is a "mixed bag" of subjects derived from the BOC's Practice Analysis Educational Domains, and the balance covers most of the related subject matter of athletic training, as previously mentioned. Chapter 4, Clinical Decision Making, tests your ability to make appropriate judgment calls and improve your problem-solving skills.

Each problem presents a specific scenario with several possible options that you can choose to follow. Chapter 5, Skills Assessment, is composed of 26 problems that are designed to test your manual athletic training skills. Chapter 6, Critical Thinking, is composed of scenario-based problems designed to test your ability to develop differential diagnoses. Chapter 7, What to Do if You Do Not Pass the First Time, is directed at helping you if your test results are not favorable. We have included some suggestions on how to deal with the immediate difficulties not passing may cause and how to begin the process of developing a new approach for your next attempt. Provided you have applied the information you have learned in the classroom and on the field to the study strategies we have offered in this manual, you will not need to read this final chapter. The 7th Edition also features an online component with a variety of questions. You can test your knowledge with these exams and receive the results for each when completed. Also, at the end of each sample exam, you will be able to review the questions along with the correct answers for a complete and comprehensive review. We wish you luck and look forward to welcoming you as a colleague"--

Writing Beyond Pen and Parchment Ricarda Wagner 2019-10-21 What can stories of magical engraved rings or prophetic inscriptions on walls tell us about how writing was perceived before print transformed the world? Writing beyond Pen and Parchment introduces readers to a Middle Ages where writing is not confined to manuscripts but is inscribed in the broader material world, in textiles and tombs, on weapons or human skin. Drawing on the work done at the Collaborative Research Centre "Material Text Cultures," (SFB 933) this volume presents a comparative overview of how and where text-bearing artefacts appear in medieval German, Old Norse, British, French, Italian and Iberian literary traditions, and also traces the paths inscribed objects chart across multiple linguistic and cultural traditions. The volume's focus on the raw materials and practices that shaped artefacts both mundane or fantastical in medieval narratives offers a fresh perspective on the medieval world that takes seriously the vibrancy of matter as a vital aspect of textual culture often overlooked.
